

2

Walls to be decorated with scenes depicting life on earth millions of years ago, specifically such scenes as can be seen in the Field Museum of Natural History in Chicago. The decorating thereby will serve a dual purpose: decorating and education. The murals in the Field Museum are both beautiful and fascinating. These types of murals will also be duplicated in Victory City.

VICTORY CITY CAFETERIA, ~~EPCOT~~

PLAN EXPLANATIONS

Taft Broadcasting or King's Island

~~Walt Disney Productions~~ to finance the building and all equipment. As owners they would either contract with the Colonnade cafeteria chain to manage the cafeteria for them for a fee or lease to the Colonnade for rent.

THE CAFETERIA WOULD BE OPERATED ALL YEAR.

Room A will contain a Victory City exhibition of all work done by Orville Simpson II to illustrate the evolution of the VC plans. The exhibit will include ~~the~~ ^{my} murals, drawings, floor plans and a model created by Dan Fitzpatrick. All items to be supplied free of charge.

Room B will contain a Victory City exhibit by an architect, preferably John Portman of Atlanta, Ga. Architect's fee to be paid by ~~Walt Disney~~. Responsibility for VC exhibit fee to be determined.
