Librarians in CQU, 2019

Information Sharing, 2018

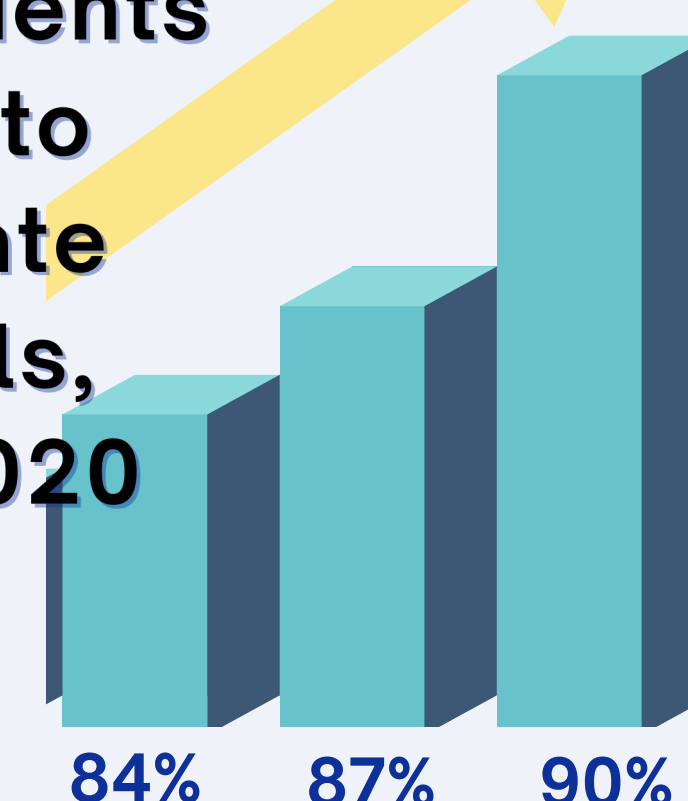

Staff in CQU, 2017

How much student success credit goes to libraries?

Librarians teach in:

- New student orientation
- Foundation and senior design courses
- Course research projects
- Special topic workshops about academic integrity, news literacy, etc.

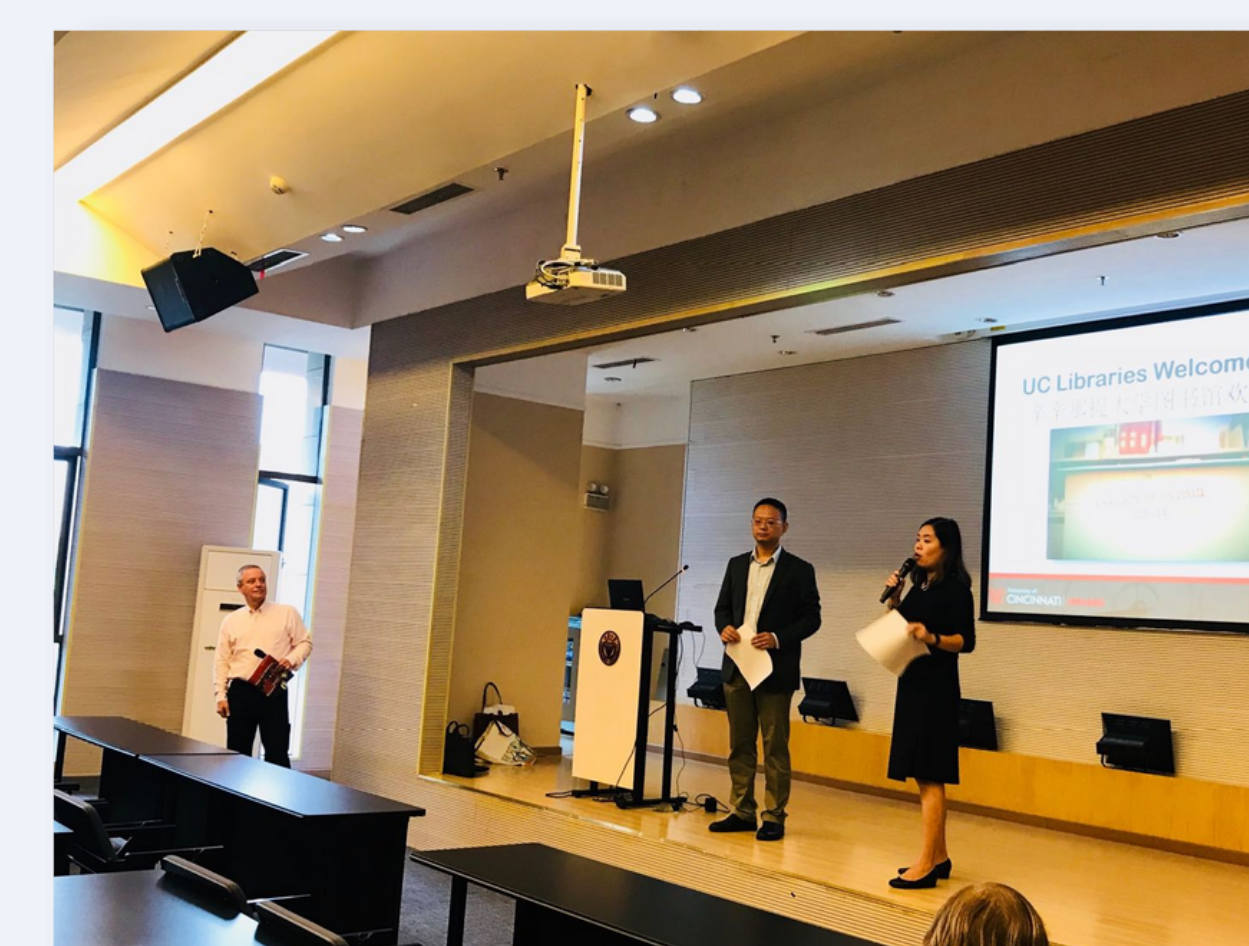

% of Students
Going to
Graduate
Schools,
2018-2020

1st Cohort Visited the UC
Library for the 1st Time

From In-Person to Virtual Orientation

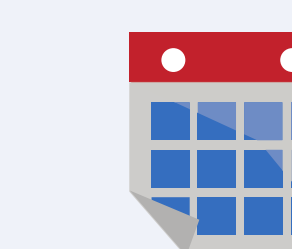

The orientation is the first time when JCI students meet their librarians from both universities. It is also the first time students learn the basics of using an academic library and information search skills.
