Gentlemen: On October 3, 2002 I sent folders containing a letter listing 5 items which I suggest for research and development by GE and several more pages elaborating on each of the suggestions. One folder was addressed to Jeffrey R. Immelt, Chairman of the Board and the other to Scott C. Donnelly, Senior Vice President, Corporate Research and Development. The folder addressed to Mr. Donnelly was returned to me marked "Return to Sender Unable to Locate". I never heard back from Mr. Immelt. The address I used for both folders was:

General Electric Company
3135 Easton Turnpike
Fairfield, Ct 06431

Is this the correct address for these officials and did Mr. Immelt receive his folder? O. Simpson
