Dear Homer:

This is to confirm our plans for Sat. July 28, 1979 to show you and Don Barnhill my Victory City exhibit and plans for a Victory City cafeteria featuring the Circle-Serv to be used as an operating exhibit at EPCOT.

Your chief engineer or any other key people of B.W. Metals Co. are welcome, and I would like to encourage them to come with you.

Enclosed is a picture of a large Victory City representing the overall concept. This was made in 1965; therefore there are some obsolete features in it.

I will phone you around 8 AM, Sat. July 28, 1979, and am looking forward to meeting you and Don.

Sincerely,

Orville Simpson II
