Dear Homer:

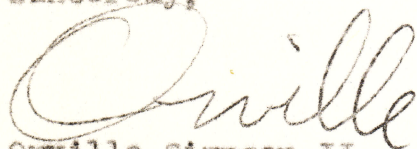

Enclosed is a copy of my drawing of the Victory City Cafeteria featuring your Circl-Serv. This took 2 years and 2½ months to complete.

I am now working to finish floor plans, elevations and other drawings for Victory City (VC). When these are completed I plan to write to the world famous architect, John Portman who designed Renaissance Center in Detroit. His office is in Atlanta, Ga. and I will attempt to arrange to go there and show him my VC exhibit, VC Cafeteria plans and your Circl-Serv literature.

If you have new literature of the past 2 years and send it to me, I will include it with the presentation. Also I will welcome any ideas or advice you may have.

Congratulations on your expansion program.

Sincerely,

Orville Simpson II
