'Shades Of '29'

TO THE EDITOR OF THE ENQUIRER.

It is reported that since the middle of July stocks have gone down 12 per cent. In your issue of October 6 Mr. Orville Simpson would like to have each city employee contribute \$40 per quarter to a fund to be invested in common stocks. With a decrease of 12 per cent, one year's contribution of \$160 would be now worth \$140.80 less brokerage charge. Shades of '29.

J. H. KING, 2495 Erie Ave., Cincinnati.
