Dear Mr. Simpson:

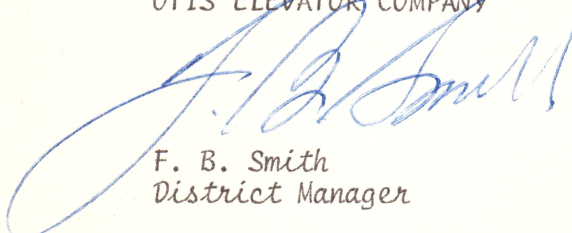

I have tried to contact you several times in the last six weeks, but it seems as though everytime I call you are out.

I have some very interesting information for you to see for your Victory City Project, in addition to the information I want you to see regarding the dumbwaiters for your Circl-Server.

I would appreciate you calling me and we will make arrangements to get together for an hour or two and discuss both of these items. Thank you in advance for your cooperation in this matter. I remain

Very truly yours,
