Dear Mr. Simpson:

This will acknowledge receipt of your recent letter concerning your project called Victory City.

It is very generous of you to offer to allow us to utilize any or all of your ideas as expressed in your Victory City project plan in connection with our own forthcoming EPCOT project.

I will refer your kind letter to the appropriate people in our planning and design organization so that they may be advised of your offer of assistance so that they may contact you further in the event that they believe that there is any possibility that your plans could be useful in their own work as it exists at this phase of development.

Thank you very much for the compliment of your interest in us.

Most sincerely,

Donn B. Tatum
Chairman of the Board
