Circl-Serv literature

Picture of Victory City Cafeteria interior with drawings of floor plan and cross sectional view.

Picture of Victory City, exterior The section on the right is 102 floors high and contains the residential and commercial areas. The section on the left is 20 floors high and is for industry. The cafeterias are lined up in the middle. 4 would be needed for the smallest size city with a population of 50,000. The VC plan is flexible and can range up to the size of New York City.

So far we have been unable to make any reservations in the Orlando area. If and when we do, we will let you know.

Sincerely,

A handwritten signature in dark ink, reading "Orville Simpson II". The signature is fluid and cursive, with the first name "Orville" being larger and more prominent than the last name "Simpson II".
