

NON-EXCLUSIVE DISTRIBUTION LICENSE

I am submitting, in digital form (referred to below as "my submission"), my senior project completed at the University of Cincinnati, including the bibliographic information, abstract and full text, and any related digital objects.

I hereby grant to the University of Cincinnati Libraries (UC Libraries) and to the Ohio Library and Information Network (OhioLINK) the non-exclusive right to archive, reproduce, translate (as defined below) and distribute my submission (including abstract), in whole or in part, worldwide, in print and electronic format, freely available on the internet, and in any medium, including but not limited to audio or video.

I represent and warrant that my submission is my original work and does not infringe or violate any rights of others, and that I have the right to grant the rights contained in this license.

If my submission contains material for which I do not hold copyright, I represent that I have given proper attribution to the copyright holder, and that such third-party owned material is clearly identified and acknowledged within the text or content of my submission. I further represent that my use of such material is within the commonly accepted boundaries of Fair Use, or if it is not, that I have obtained the unrestricted permission of the copyright owner to grant UC Libraries and OhioLINK the rights required by this license. (For information about Fair Use see <http://libraries.uc.edu/copyright/index.html>.) I acknowledge that UC Libraries or OhioLINK will not distribute my senior project or abstract, as represented in my submission, if, in their reasonable judgment, they believe all such rights have not been secured.

I agree that a Creative Commons "Attribution – Non-Commercial – No Derivative Works" license can be attached to my submission when distributed by UC Libraries and OhioLINK on the internet, meaning that my submission can be copied and distributed only for non-commercial purposes, may not be modified, and that all such use must give me credit as the original author.

I acknowledge that I retain ownership rights to the copyright of my work. I also retain the right to use all or part of this work in future works (such as articles or books).

I agree that UC Libraries and/or OhioLINK may, without changing the content, translate my submission to any medium or format for the purpose of preservation. I agree that UC Libraries and/or OhioLINK may revise or enhance the descriptive and access metadata associated with my submission. I agree that UC Libraries and/or OhioLINK may keep more than one copy of my submission for purposes of security, back-up and preservation.

I understand that UC Libraries and OhioLINK will clearly identify my name as the author or owner of my submission, and will not make any alteration, other than as allowed by this license, to my submission.
